NARRATION:

On 030318 at approximately 2046 hrs Officers were dispatched to [REDACTED] for a domestic in progress. Upon arrival I saw that there was several juveniles just outside the front area. When I got out of my unmarked patrol unit I saw an unknown subject run towards the back yard where I did see it appeared there was smoke coming from a barbecue grill, possible party. Officer Gardner P-40, Officer Amos P-48, DPS Richardson also arrived on scene. I then made contact with a subject confirmed to be [REDACTED] who was just in the front yard. I asked him if everything was ok and he advised they were having a party. I asked him where [REDACTED] was at. I knew [REDACTED] from other non priority calls at this residence. He advised that she was inside. At that time he was advised of the domestic call and I needed to check if everyone was ok. [REDACTED] again said that they were ok and there was no domestic. I stepped in the yard and [REDACTED] told me that as far as I could go. I then walked up to [REDACTED] and I advised him that I would be clearing everyone inside and outside of the residence to make sure they were ok and he was advised of the Domestic laws in Arizona. At that time [REDACTED] said he was sorry and he understood.

[REDACTED] came out who was [REDACTED] significant other. I asked [REDACTED] if she was ok. [REDACTED] said that there was nothing wrong and there was no domestic. At that time Trooper Richardson went to the back yard to clear anyone back there. I saw [REDACTED] who was sitting in the front area of

the shed in the back yard working on jewelry. [REDACTED] was also checked and he was asked to come to the front yard. [REDACTED] advised me that he was working on his jewelry. I then asked all the juveniles if everything was ok. They advised that there was nothing wrong and there was no fight with anyone. [REDACTED] sat on a small brick wall in the front of the residence, [REDACTED] was beside him. At that time I asked Gardner P-40 and Amos P-48 to clear the residence for any other subjects. Officer Gardner P-40 advised that the residence was clear but that he smelled a strong fresh odor of marijuana while he was inside.

Richardson then called me to go to the back yard. Trooper Richardson showed me as we stood outside the front of the shed, that there was a lot of possible illegal smuggling evidence in the shed. I saw towards the corner of the shed that there was a lot of camouflage back packs that appeared to be new. I also saw that there was homemade booties and some make shift beds also along with bags and bags of clothing. In my experience with the Police department this is a clear sign and evidence of illegal smuggling items. The booties are made so that they are put over the shoes to not leave sign of shoe prints when there is illegal activity happening. Trooper Richardson advised me of a traffic stop that he had recently in which there was a [REDACTED] and another male subject with similar backpacks and booties. Richardson also advised me that he had found a western union receipt for \$700. dollars to [REDACTED] and a [REDACTED]

I then walked back to the front where I asked [REDACTED] to walk to the back yard with me to check the food on the grill. Officer Gardner, Trooper Richardson and I talked to [REDACTED] I asked [REDACTED] if there were any weapons in the house or shed. [REDACTED] at first said no and then he said that he had a rifle in the shed just inside the door and a couple rifles inside the house. Richardson located the rifle. Richardson told [REDACTED] that this was an illegal weapon. I saw that there was a homemade type suppressor on the rifle. Richardson asked [REDACTED] if he made the suppressor. [REDACTED] said that he did but he also said that he didn't know this was illegal. At that time Officer Gardner pointed out a small baggie with a green leafy substance under the barbecue grill. I picked up the baggie with what was marijuana inside the small baggie. I asked [REDACTED] what this was. [REDACTED] said that it was his personal use marijuana, but [REDACTED] said that he didn't have a marijuana card. I asked [REDACTED] if anyone in the residence had a marijuana card. [REDACTED] said that no one had a card. At that time Officer Gardner told [REDACTED] that there was a strong odor of marijuana in the house. I then advised [REDACTED] that there was a lot of illegal items that were located just in plain view along with the illegal smuggling evidence in the shed and a strong smell of marijuana in the house. [REDACTED] continued to say that it was just personal use marijuana and that was it. I asked [REDACTED] if he would consent to a search of the house and the shed. [REDACTED] said that this was not necessary. [REDACTED] then said that he would walk in the shed and show Officers the items towards that back of the shed. [REDACTED] said that a friend left all the items in the shed but [REDACTED] refused to give me his friends name. [REDACTED] showed us the back packs and kind of moved things around but he didn't show Officers much. I asked [REDACTED] again to consent to a search due to what was located. [REDACTED] said that he would not consent to a search. At that time I went to secure the rifle with the suppressor in my unmarked patrol unit.

As I was walking back Officer Amos P-48 called for me to the front of the residence. He saw that there was a handgun laying against the inner part of the small wall. I saw the weapon and took my duty camera out and took a photo of the weapon. I knew that [REDACTED] was sitting just in front of the wall where I was confidant that he may have thrown the gun out when we were in the back checking the shed. At this time I went to the back yard and saw that [REDACTED]

was on the phone asking someone for help. I then told [REDACTED] that he was under arrest. [REDACTED] asked why. I told him because of all the illegal items and now there was a weapon found where he was sitting. [REDACTED] said that he did not have a weapon. I handcuffed [REDACTED] and I checked his person for anything further. [REDACTED] had a set of keys in his right pocket. [REDACTED] stated that they were his keys but the truck key was his Mother's. The keys were secured with me at this time and he was walked to Officer Gardner's P-40 fully marked patrol unit where he was secured. At that time Officer Amos P-48 had already called the gun in to dispatch. The gun was a Springfield black in color with a wood type grip, serial# [REDACTED]. Dispatch confirmed that this was a stolen weapon out of Pima County Sheriff's Office. The gun was touched by me and Officer Amos so it was my decision to not attempt to get fingerprints or DNA. The stolen gun was secured. At that time I advised all the juveniles and [REDACTED] who had a baby to make arrangements to leave the house due to a search warrant was going to be completed for the residence and the shed. [REDACTED] was advised that she could stay but due to the baby and the cold weather it was her decision.

I then completed a last security sweep of the residence for any other subjects and it was secured pending a search warrant. Graveyard Officers Mantz and Mahoney also arrived on scene. They were advised to secure the residence pending the search warrant. Officer Gardner, Officer Amos and I went back to the Police Department where [REDACTED] was secured into the interview room. [REDACTED] was given water and restroom breaks throughout the evening pending incarceration.

At approximately 1245 hrs the warrant was completed. I contacted Your Honor Judge Adam Ambrose via telephone and he was advised of the warrant. Judge Ambrose arrived at the Bisbee Police Department shortly after to review the search warrant. At approximately 1254 hours Judge Adam Ambrose signed and approved the search warrant. Officer Gardner P-40 stayed with suspect [REDACTED] Officer Amos P-48 and I proceeded to [REDACTED]

Upon arrival I took entry pictures of the house(SEE ATTACHED). The house was very messy and unclean. I then advised Officers to rooms for the search. CCSO Wiederman and Mantz P-45 completed room 1,2. Troopers Richardson, Algara and Mahoney completed room 3. Mantz rooms 5,6. Officer Amos completed security sweeps of the residence and safety of the perimeter. I saw that there was in the bedroom weapons in the closet along with several drug paraphernalia pipes just to the right of the bed in and on top of the nightstand/cabinet. I saw that there was in the baby's room in the hanging net of teddy bears there was 2 marijuana grinders that were in clear view. Near the crib there was an alcohol bottle. In the attached baby's bedroom there was a drug paraphernalia glass pipe that was near the mirror. In the living room there was bullets, gun holster and a mirror on top of the TV area with what appeared to be a white powdery substance. Toys for the children was in the middle of the living room just under and around where these items that were located. In the shed Officers located more drug paraphernalia, unknown powder substance and evidence of marijuana liquid making material. The item was a green plate with what appeared to be marijuana liquid type substance.

NOTE: TROOPER RICHARDSON LOCATED A GREY Sentry SAFE THAT WAS LOCKED. THE KEYS THAT I TOOK FROM [REDACTED] HAD A KEY THAT FIT THE SAFE. THE SAFE WAS OPENED AND INSIDE THERE WAS A LARGE WHITE CRYSTAL ROCK ALONG WITH SEVERAL SMALL BAGGIES. SOME BAGGIES HAD WHITE CRYSTAL SUBSTANCE. AND THERE WAS A WEIGHT SCALE LOCATED IN THE SAFES. IN MY EXPERIENCE THIS WAS CRYSTAL METH(PENDING LAB

RESULTS). MORE CRYSTAL ROCKS WERE LOCATED IN THE SAFE. AT THIS TIME THE EVIDENCE HAD TO BE TAKEN TO BE WEIGHED. IN THE SHED THERE WAS EVIDENCE OF HUMAN TRAFFICKING AS NOTED UPON ARRIVAL AT THE RESIDENCE(SEE ATTACHED PHOTOS). ALL ITEMS WERE SECURED AND TRANSPORTED TO THE BISBEE POLICE DEPARTMENT.

Upon arrival at the Bisbee Police Department I went to the interview room to speak with [REDACTED]. I put the grey sentry safe on the table in front of [REDACTED] along with some of the paraphernalia pipes that was located in the residence. At approximately 0315 am hours I read [REDACTED] his Miranda Rights. After reading his Miranda rights I asked [REDACTED] if he understood his rights and [REDACTED] advised that he did understand his rights. At this time [REDACTED] advised me that he was requesting an attorney. The interview ended at this time.

[REDACTED] was then transported and booked into Cochise County Jail for the same by this reporting Officer.

On 030418 I went to [REDACTED] at approximately 1400 hrs to arrest [REDACTED] for the same. [REDACTED] Mother [REDACTED] advised that [REDACTED] was gone. A juvenile that was at the residence said that she ran and went into hiding because of what had happened. The juvenile said that she may have went with an ex-boyfriend.

I RESPECTFULLY REQUEST A WARRANT FOR THE ARREST OF [REDACTED] BE ISSUED FOR THIS CASE. AN ATL IS IN PLACE FOR HER LOCATION AND ARREST BY BISBEE POLICE DEPARTMENT.

On March 03, 2018 at approximately 2046 hours officers were dispatched to [REDACTED] in regards to a possible domestic violence in progress. Dispatch advised that the reporting party heard someone screaming "don't hit me". Upon arrival I noticed multiple subjects outside the residence in the front yard and Detective Moreno already on scene. There were 3 adults [REDACTED] and several children. At that time Detective Moreno, Officer Gardner and Trooper Richardson were talking with [REDACTED] while I was keeping an eye on [REDACTED] and the kids. Detective Moreno then asked me to enter the residence to make sure there were no other individuals inside and possibly injured. At that time myself and Officer Gardner announced and made entry while conducting a protective sweep in search for others. We then made contact with another teenager and a baby around 3 years of age in the living room. I asked the teenager if there were anyone else in the residence and he stated he didn't think so. I asked him to put something warm on the 3 year old and had them step outside in the front yard with the others.

In the back room I could see a half consumed bottle of alcohol laying on the floor next to the baby's crib and some dirty water in the bathtub. After ensuring no others were in the residence I went back out into the front yard where [REDACTED] and the children were. I asked them if anyone had been fighting. They told me they were having a BBQ and it was just the kids playing and being loud. During this time [REDACTED] and [REDACTED] were sitting on some bricks in the front yard next to the steps. Officers then went with [REDACTED] to the back yard to check on the meat that was on the grill. I continued to stay in the front yard with [REDACTED] and the kids. After some time I noticed Detective Moreno come to the front with what appeared to be a rifle with a makeshift suppressor on the barrel. I then asked [REDACTED] if there were any other weapons in the house or on anyone and she stated there were not.

Detective Moreno then advised everyone who didn't live there to go home. [REDACTED] and several younger kids then left. I then spoke with [REDACTED] who advised me that he has been staying at the residence for a few weeks to help out and take care of the baby. I asked him if there was anywhere he could go and take the rest of the children who were staying at the residence. He advised me that he could take them to a family members of his house just up the street. He then asked if he could go inside and grab some essentials for the baby and told me I could come in with him. We then went into the house and grabbed cloths, diapers and the baby's cup. As we were walking out the front door I noticed a pistol laying on the ground behind the bricks where [REDACTED] and [REDACTED] had been sitting when we arrived. I then had the children that were still at the scene back away from the area and notified other officers of what I had found. Detective Moreno then placed [REDACTED] hands behind his back cuffed him and told him he was under arrest, he then sat him in the back seat of my fully marked patrol vehicle. Once the situation was again under control Detective Moreno and Trooper Richardson cleared the weapon and took photos. I radioed dispatch asking for a weapons check using the serial numbers, make and model of the gun. Dispatch advised me that the gun was stolen out of Pima County and asked if it had a brown wooden handle. I then confirmed the brown wooden handle and placed the gun back on the brick.

Detective Moreno then asked Officer Gardner if he had smelled or seen anything while in the house and Officer Gardner stated he could smell fresh marijuana. Other units from the Bisbee Police Department and Cochise County Sheriff's office then arrived on scene. With more units on scene Detective Moreno, Officer Gardner and myself went back to the station to allow for Detective Moreno to

write up a search warrant for the house where Officer Gardner smelled the fresh marijuana and for the shed where Detective Moreno found the rifle with the homemade suppressor. We also brought [REDACTED] back to the station and placed him in the interview room while Detective Moreno worked on the search warrant.

Once the search warrant was ready and signed by the Judge myself and Detective Moreno went back to the residence to conduct a search for other stolen property. Upon arrival we made contact with the other officers who were guarding the house. We then conducted a search of the house where we found numerous glass pipes with white crystal like residue still inside of them as well as two more rifles and ammunition. There were also some grinders used for grinding marijuana next to the baby's crib. Officers also found some small bags with a usable amount of what appeared to be Meth or Heroin in the main bedroom. Once the search of the house was complete Officers went out back to the shed. During the search more clear glass pipes with a white crystal like residue, marijuana, small baggies and two lock boxes were found. In the first lock box was a good sized rock of meth that weighed around 12.86 ounces more baggies used for distribution and other smaller pieces of meth. The second lock box had more baggies that were likely used for distribution. In the back of the shed was a large pile of cloths and miscellaneous items. Under the pile of cloths were numerous camouflage backpacks and camouflage carpet shoes used to hide shoe prints.

After numerous items were collected and placed into evidence bags, Detective Moreno and myself brought it back to the station so he could process everything that was found. This concludes my involvement with this matter.

Supplemental Narrative:

On 03-03-18 at approximately 2145 hours, I was requested by Det Moreno to respond to 11 Hazard. Upon arrival, Det Moreno requested that Officer Mantz and I keep the residence secured until the search warrant was completed. Deputy Wiedemann and Trooper Richardson remained on scene as assisted with keeping the residence secured.

Once the search warrant was complete, Det Moreno returned to the scene and we commenced the search. I searched room #3, what appeared to be a bedroom. I searched the east side of the bedroom where there were small crates on the floor, a cupboard, and a shelf attached to the wall. In the small crates, I found varying sizes of ammunition and a gun holster. Upon searching the cupboard, I discovered a variety of what appeared to be drug paraphernalia with residue made of glass and some that appeared to be made of small plastic shooter bottles. Upon search of the shelf area, I discovered what appeared to be drug paraphernalia with residue, as well as an unknown gray powder inside of what appeared to be a Mickey Mouse key chain head. Trooper Richardson and Trooper Algeria searched the bedroom with me.

Once we completed the search of the bedroom, I assisted Deputy Wiedemann in searching the truck located outside of the residence. The truck was located in the driveway on the west side of the residence. Deputy Wiedemann and I had negative results from searching the truck. Nothing further to report at this time.
